MAN at Busworld 2015

Dear Sir or Madam,

At this year's Busworld 2015 trade fair from 16 to 21 October 2015 in Kortrijk, Belgium, MAN will be represented with its extensive bus expertise and product range of the MAN and NEOPLAN brands. We look forward to greeting you at the press days:

Thursday/Friday, 15 and 16 October 2015.

The press conference will be held on 15 October at 3:00 p.m. at the MAN Stand No. 204, Hall 2, Xpo Kortrijk. On 15 October, we will offer you test drives on the outside area.

Whether it is a luxury coach with a bistro upgrade or an application-optimised city bus and intercity bus - individuality, innovation and interactivity are reflected in the MAN product range. For the first time, the MAN Lion's Intercity can be seen at a trade fair, which had its premiere at the MAN BusDays in Ankara. At the Busworld, we will show you the vehicle in the 12-metre and 13-metre length versions. In addition to this, you can look forward amongst others to the latest model maintenance measures on the Lion's City city bus and to the services of MAN Solutions. Plan a visit to the MAN trade fair stand in Hall 2 during your tour of the fair.

MAN experts will be available on both days to answer any questions.

We look forward to your visit in Kortrijk.

Yours sincerely,

Stefan Klatt
