

Hello

I would like to take this opportunity to invite you (XYZ News Agency) to a press briefing and reception organised by Firetrace International, to celebrate achieving 10/10 in The SP Institute of Sweden's P-Mark for our systems and to delve a little deeper into what that actually means.

Join us at stand 822A on Friday 16th October at 5.30pm for drinks, canapés and to find out more.

As well as the P-Mark we would like to focus on the scoring system and its implications.

We look forward to seeing you there.

Thank you,

Scott Starr
