This year, for the two-yearly high mass of the bus industry, Busworld 2015, we opted for an innovative approach. If we're not commuting between the different stands where our buses will be placed, you can always find us at the stand of Belgian Bus Sales. Here we welcome you for a drink and a chat. This year there will be no less than five Sprinterbus vehicles present at the fair. For the first time in Belgium: the Avantgarde Executive Travel 19 places with a boot of 3m³ in a non-extended vehicle - unique in Europe, then our Grand Tourer 19p VIP version, our new low-floor Sprinter, our Cabrio-bus and finally our wheelchair bus. We look forward to meeting you all ! Hall 2 booth 222
