# **INTEGRALIA SELLS ONE IN-VIP MINIBUS IN THE FIRST DAY OF BUSWORLD**

Integralia announced today it has sold one in-vip minibus to the French company Bordeaux Executive Transport in the first day of Busworld 2015. The company is based in Bordeaux and provides to its customers luxury vehicles with driver and a top quality service.

The Integralia in-vip model has capacity for up to 15 passengers. It is an ideal vehicle for travelling and relaxing, even on the longest journeys. Its refined design and feel offer the passenger incomparable sensations. All the versions are equipped with high-comfort seats with leather upholstery. The vehicle has Integralia "Top Class" thermal and acoustic insulation and walls upholstered in technical leather. The floors are presented with top design and in materials of maximum quality. The in-vip model is conceived for the enjoyment of the passenger.

The in-vip minibus offers the customer a high degree of personalisation to create unique, high-quality spaces in which to travel.

Integralia is present in Busworld (Kortrijk) in stand number 112 of pavilion 1 presenting their models in-vip plus, in-vip, in-urban and in-tourism). Integralia is now recognised as the leading brand in the sector and its essence constitutes the approach and DNA of the company, representing its values and firm commitment to the customer, the driver and the user.
