

-TEMSA exhibited TS35E and TS45 at ABA Fair

-TEMSA collected great appreciation at ABA Fair

TEMSA, Turkish market leader of 2016, continues its efforts to reflect its powerful trademark also for international markets. TEMSA presented TS35E and TS45 models at the American Bus Association (ABA) Fair in Cleveland for four days from 14th January to 17th January.

TEMSA, the leading brand of 2016 in Turkish market, exports to 66 countries and continues its effort to maintain its leadership in 2017. TEMSA collected great appreciation with TS35E and TS45 models promoted in the exhibition organized by ABA ("American Bus Association").

Kadri Özgüneş, Sales and Marketing Director, noted that TEMSA's vehicle park in the USA will be expand to 1.000 vehicles in 2017. Kadri Özgüneş said, "We continue to meet with our US customers. TEMSA has been exporting its products since 2010 and TEMSA's product range and customer portfolio also have a great improvement in the US market since then. We think that we will exceed the 1.000 sales units in the US market in the first half of this year. At the ABA Fair in Cleveland, we exhibited TS 35E and TS 45 vehicles, which gained great acclaim from US tour operators. We are proud of the interest on TEMSA products in the exhibition."

"TEMSA will exhibit its product range in UMA Fair on February 26"

Kadri Özgüneş, who pointed that there was a significant increase in export revenue of TEMSA in 2016, emphasized that TEMSA continues to grow its international sales in 2017. "TS30, TS35E and TS45 models will meet with the customers at UMA Motorcoach Expo to be held in St.Louis between February 26 and March 2," said Kadri Özgüneş.
