

CBM is taking part in Busworld Europe 2017

From 20 to 25 October 2017, CBM will exhibit its range of spare parts for coaches, buses and trams at the 24th edition of the Busworld Europe trade fair in Kortrijk (Courtrai), Belgium (stand R48).

CBM, a specialist in spare parts for coaches, buses and trams, will be participating among 376 exhibitors from 36 countries.

At its stand CBM will present its range of OEM parts, including both mass produced and technical captive parts.

The widest range of spare parts on the market

Visitors will be shown CBM's range aimed specifically at makes of bus manufactures, including Mercedes, Setra, Neoplan, Iveco bus, Heuliez, MAN, Volvo, Scania, Irizar, VDL, Van Hool, Solaris, Temsa, Otokar, SOR, NovaBus, New Flyer, Prevost, MCI and more.

CBM's high-quality range covers it all: chassis, suspension, engines, axles and steering, gearboxes, brakes, bodywork, seats, mirrors, glasses, windscreens, air conditioning, heating, electricity, etc.

As the leader in its sector, CBM deals with major urban and inter-city transport networks around the world.

A spare parts supply service in more than 60 countries

For more than 30 years the company has been meeting the maintenance needs of urban transport vehicles in some of the biggest cities in the world, as well as the requirements of many private operators.

Thanks to the efficiency that comes from having 7 logistics centres across Europe, North America and Australia, the group which ensure daily deliveries of spare parts in 24 to 72 hours depending on the regions.

The world leader in spare parts for Coaches, Buses and Trams

CBM began expanding overseas in the early 2000s. It set up subsidiaries to increase its business around the world:

- In 2005, CBM founded its first foreign entity, **CBM CR**, in Prague (Czech Republic).
- In 2006 the launched **CBM IBERICA** in Zaragoza (Spain).
- In 2007 the company put down roots in North America by establishing **CBM NA** in Montreal (Canada), and also set up **CBM Deutschland** in Germany.
- In 2010 the company took over **VAR**, a specialist in the distribution of spare parts for coaches, in Turin (Italy).
- 2014 was the creation in Sydney of **CBM South Pacific** (Australia), and in Boston of **CBM US** (USA).
- In 2016, **CBM Polska** was opened in Warsaw (Poland).
