PRESS INVITATION

DOMETIC AT BUSWORLD EUROPE 2019

Stockholm – September 25, 2019

Dometic showcase focuses on its market leading, patented WAECO Low Emission technology for air conditioning services/maintenances for buses at upcoming [Busworld Europe 2019](#). The company is also to exhibit its new blind spot security system for the first time.

Welcome to Dometic!

During the upcoming [Busworld Europe 2019 \(18-23 October\)](#), Dometic will showcase its unique and patented WAECO Low Emission technology for air conditioning services/maintenances for buses as well as the innovative heat-belt solution which reduces the service time on bus and train air conditioners up to 80%.

Another feature at the show is Dometic's new security system for turn assistance for vehicles and blind spot warning for commercial vehicles.

We're happy to accommodate technical briefings and demos for media representatives during the show.
