Press release Busworld India 2018

25.07.2018

Tata Motors joins Busworld India for the first time

After being the main sponsor of the very successful Busworld and BOCI Road Show in Chennai, which attracted almost 700 operators, Tata Motors decided to participate to the 8th edition of Busworld India as a platinum sponsor and with a booth of 600 sqm. Together with other bus and coach manufacturers like MG Group, Force Motors, Goldstone Infratec, S.M. Kannappa and OJSC Holding Management Company of Belarus, they will present their latest innovations in bus and coach to the Busworld visitors.

More than 70 companies will be represented at Busworld India from 29 to 31 August in BIEC in Bangalore. Via the busworldindia.org website, visitors can take a look at the profiles of these companies at beforehand in order to prepare their visit. Not only vehicles, but also engines, drive trains, transmissions, tyres, seats, safety belts, air conditionings, etc. will be on show in Bangalore.

Didier Ramoudt, President of Busworld International said: "Of course I am very proud to host Tata Motors in Bangalore. We are convinced that they will be very satisfied with their decision to join us. For Busworld, this is the cherry on the cake, next to the splendid cooperation with BOCI - with whom we have organised the Road Shows - and ASRTU - who is organising a full day conference about 'Sustainable Public Transport' during our exhibition."

On the second day of the exhibition, the 30th of August, ASRTU organises a conference in the same premises as the exhibition. The main themes of this conference are: 'sustainable public transport', 'electro mobility', 'the digitalisation of public transport' and 'access to public transport for people with disabilities'. All topics that are extremely relevant for the future of the Indian public transport.
